#### About the College

Holy Cross College, Nagercoil the first Women's College in Kanyakumari District administered by the Congregation of the Sisters of the Cross of Chavanad was established in 1965 and raised to an autonomous status in 2007-2008. The College stands for total liberation and development of the students in order to prepare them to take their rightful place and responsibility in the society. It offers 15UG., 12 PG., 4 M.Phil. and 9 Ph.D. programs. Holy Cross College is known for its unique discipline and academic excellence.

#### Department of Zoology

The Department of Zoology is a renowned centre for learning, research and extension activities. The Department of Zoology established in 1966 was raised to a P.G Department in 1979, Research Department in the year 2000 and became full-fledged with the introduction of M.Phil. in 2009. An UGC sponsored 'UG vocational Sericulture' and innovative 'M. Sc. Biomedical Sciences' Program was established in 1999 and 2006 respectively. The department has a well-equipped DST – FIST sponsored laboratory. It has taken a lead role in educating young girls from the economically and socially disadvantaged sectors and empowering them to become academicians, scientists and entrepreneurs. The thrust areas of research are Immunology, Crustacean Physiology, Endocrinology, Integrated Pest Management, Radiation Biology, Environmental Biology and Molecular Taxonomy. The main objective of the department is to promote academic skills, research aptitude and societal commitment.

#### About FIRST Trust

The First Trust is a research organization that advances in sciences and humanities for public use. Our organization is a registered NGO in India, working on special projects and social support to the under privileged community to protect them and empower them to be self-sufficient in the future. Our First Trust NGO also provides scientific research, health education, rural employment generation, environmental conservation etc to the community who reside in rural area. In addition, we support researchers from under represented areas, weaker and marginalized segment of the society to bring out their innovates. We have been carrying out various programs designed meticulously after careful analysis of various socio-economic problems for sustainable development of the community.

#### About the conference

This conference aims to bring together Academicians, Scientists, Research scholars and students to share and disseminate information on knowledge and scientific research works related to above topics and confers the practical challenges encountered and the solutions adapted. The conference will create a path to establish a research relation for the authors and listeners with opportunities for National and International collaboration and networking among the Universities and Institutions from India and abroad for promoting research and developing technologies. It brings about the knowledge on product development and commercialization which involves refinement and fine - tuning of product prototypes to address specific market demands as well as demonstration projects. This conference educates to evaluate the usefulness of a product and learn how it might be used in their applications.
