

One day Online Workshop on Discovering and Learning Statistics Using MS Excel

Date: 16 May 2020 (Saturday)

Time 9.00 am to 5.00 pm

Organized by

Foundation for Innovative Research in Science and Technology , Nagarcoil-629002. Kanyakumari, Tamilnadu

Phone: 6380002616 E mail: firsttrustexcel@gmail.com

Website : <http://firsttrustindia.org>

ABOUT THE WORKSHOP

Data analysis using the statistical packages has become a basic necessity in all academic and analytical research. The MS-Excel is one of the most popularly used spread sheet based software which help the researchers in performing various statistical function and research data analysis. Excel has several advanced function, calculation, graphing tools, pivot tables, and data analysis applications. The in-built statistical functions and tests available in excel allows the user to execute research data analysis and data formatting and presentation. This workshop is designed to share the different statistical applications available and other inbuilt function, data formatting in Excel to all the participants through online zoom interactive hands-on session and discussion. Participants will be provided with sample data set to analyse so that they may gain confidence and expertise in analysing data using excel and conduct research in their respective subject areas.

OBJECTIVES:

- Learn how to apply basic function and powerful calculations, formatting data using Excel .
- Learn how to visually represent data with Excel Charts and Graphs.
- Learn how to use Excel with Pivot Tables & Pivot Charts.
- Mastering in excel statistical function and data analysis (Descriptive statistics, parametric statistical methods, t tests, ANOVA, Correlation, Regression) using MS Excel.

WHO ALL CAN ATTEND

- Academicians, Researchers, and Research Students from the related areas of Biological Sciences, Social Sciences, Humanities, Management, Medical Science, Engineering.

MODE OF COURSE DELIVERY

- Interactive lectures, hands on practical session, and discussion using ZOOM application. The ZOOM meeting ID and password will be sent all registered participants.

REQUIREMENTS FOR THE WORKSHOP

- The session will be on hands-on based and interactive.
- Desktop/Laptop with good Internet speed and necessary data pack.
- Functional Webcam, Microphone & Head phones are Compulsory.

ABOUT OUR INSTITUTION

Foundation for Innovative Research in Science and Technology is a eminent center for learning, research and extension activities. First Trust is established in 2017 which thrust its research towards Life sciences. The main objective of our center is to promote research aptitude and Social commitment.

WORKSHOP FEE

- The registration fee for the workshop is Rs.200 to be paid through NEFT/Google pay/phone pay only.
- Seats are limited. First come first served basis.
- The fee is towards participation for the workshop.
- E certificate will be given to all the registered participants
- Registrations shall be accepted until midnight of 14 May 2020.
